"PJ" a new independent film due to be released summer 2007 starring Bob as

"Stan Jamison" A man (PJ), has witnessed a horrific accident and subsequently retreats within

himself. He barely talks, and doesn't even know who he is. He is brought to a hospital where the resident doctor tries to get through to him with the help of PJ's bitter ex-girlfriend. All the while, the doctor is fighting his own life's demons, and an out-of-touch supervisor who wants PJ permanently committed.

Universal Signs

[captioned for the hearing]

Bob appears in the new movie "Universal Signs" written and produced by Ann Calamia
as
Father Joe

After the death of his fiancée's daughter while in his care, a deaf man shuts himself off from the world. Haunted by memories, it is only

through new friendship that he can learn to forgive, love, and reconnect.

Bob plays a character named Dave Foxx in the new Ross Emanuel Film **"Chasing The Green"**

<http://www.chasingthegreen.com>

Based on a true story, "Driven" tells the story of two young brothers who become millionaires during the early 1990s. Their ambition and drive lead them into conflict with FTC officials, where an over-zealous bureaucrat (Devane) attempts to destroy their company. The older brother (London), tries to reconcile the current crisis with conflicts in his own relationships, primarily with his current girlfriend (played by McComb).

Release date 2008 visit imdb for more info <http://us.imdb.com/title/tt1090312>

"UNTIL MORNING" Release date coming soon !

"Until Morning" is unique in that there was no formal script. Nehls gathered the actors on location and provided them with character sketches and direction scene-by-scene based on his script outline, and actors improvised in a true test of their professional abilities. The result is a film unlike any other; raw in its production and yet powerful in its story.

"Universal Signs" (2007), as Priest. This is a silent film featuring Deaf actors and American Sign Language (ASL)
